Use of Award: (only one option to be selected)

- 1) **Assigned time:** up to 3 WTUs (one 3-unit course) of assigned time (either Fall 2021/Spring 2022) subject to approval of your college dean (communicate with the department chair regarding your proposal submission for course planning if your proposal is selected for funding). Assigned time value will be based on standard internal university rates. No salary conversion for WTUs after the grant has been awarded if applicant requested WTUs.

OR

- 2) **Combination of Operating/Salary expenses:** you may request a combination of faculty/student research assistant support and operating expenses not to exceed the full cash amount of the award (\$5,000).
 - a. **Operating expenses:** up to the full cash amount of the award may be used for the purchase of materials, supplies, services, registration fees or travel required for a scholarly or creative project; payable from an account administered by the Auxiliary Services Corporation (ASC). You will be contacted by ASC for orientation on your account.
 - b. **Faculty/Student Salary/Consultant Contract:** for use up to the maximum amount awarded. Grant funds may be used for student research assistant wages or faculty salaries (e.g., additional pay), or consultant contracts. A substantive and detailed itemized budget is required (e.g. student hourly wages, number of hours worked). Students must be hired through Auxiliary Services Corporation (ASC). Student can only be paid hourly, no lump sums. Special note: student stipends are prohibited.
-

Review Process and Criteria for Evaluation:

All Junior/Senior grant proposals will be reviewed and scored by the University Faculty Research Committee (UFRC), weighted 80%, using the criteria described in this Call for Proposals. In addition, the submitted proposals will also be scored by their College, weighted 20%, using established College criteria or UFRC criteria. The UFRC combines scores for final recommendations to the Associate Vice President for Research and Sponsored Projects, who will then forward the recommendations to the Provost then to the President who will make the final decisions (all decisions are contingent upon budget approval by the State and University).

Required Application Instructions:

- 1) Proposals must be **written for a general audience**.
- 2) Define discipline-specific terms and avoid jargon.
- 3) Times New Roman 12-point font, 1-inch margins
- 4) Word count for each section (e.g., PROJECT DESCRIPTION: 450 words)
- 5) [Budget Template](#) (required)
- 6) [Timeline Template](#) (required)
- 7) Curriculum Vitae for PI, Co-PI, and/or consultant. (required, 2-page maximum each) – Times New Roman 12-point font, 1-inch margins
- 8) Letter of Support by external key personnel
- 9) References Cited page, limit 10 references (as needed)

- 2) Itemize faculty salary, operational expenses, and/or student hourly wage (if

- applicable).
- 3) If you are applying for assigned time, describe all other expected assigned or release time and the purpose for which you are receiving it during the upcoming academic year.
 - 4) Complete and attach [Jr/Sr Budget Template](#) (not part of word count).

Section IV: Past Intramural Awards

As per UPS 650.000, “For proposals judged to be of comparable merit, priority will be given to those faculty members who have never been awarded an Intramural Research Grant or who have no source of outside funding.”

Have you received a RSCA or Junior/Senior grant in the past four years?

Administration of Funds:

Monetary funds will be administered by the Office of Sponsored Programs. You will be contacted for a mandatory Principal Investigator orientation; funds will be released after orientation. Budget period is from June 1, 2021 and will expire June 30, 2022. Any project overdraft will be the Deans/Departments IDC financial responsibility. PIs are not allowed to transfer money from one budget item to others; e.g. budget allocated for student assistants are not allowed to transfer to faculty salary or materials or travel.

Final Reporting:

A **final report** on the work accomplished, including a summary report on ALL expenditures made, must be submitted by October 1, 2022. Failure to complete the final reporting requirements will disqualify faculty from future funding. **Extension requests** must be made before June 30, 2022 including an explanation as to why you need the extension via e-mail to ORSP@fullerton.edu.

Return of Unused Funds:

Any grant funds not expended or committed for the purposes of the project, shall be returned to the Office of Research and Sponsored Projects within 30 days after the Final Report is submitted.

Mentorship:

If you accept funding, you agree to mentor faculty from your department or college in future grant submissions. Please include evidence or examples of mentoring in the final report
